 ) Hearing Date: December 6, 2012

 )  
 ) The Honorable Kandis Westmore  
-----)

17 The above-captioned matter is set on December 6, 2012 before this Court for a hearing on  
18 a supervised release violation based on allegations in a Probation Form 12 Petition that Mr.  
19 Taylor violated the terms of his supervised release. The parties jointly request that the Court  
20 continue this supervised release matter to the Court's December 20, 2012 calendar for status.

21 In 2009, Mr. Taylor was convicted and sentenced for being a felon in possession of a  
22 firearm. He began supervision in December 2010. At the last appearance the parties notified the  
23 Court that the government made a contingent offer to the defendant concerning an allegation in  
24 the Form 12 Petition that involves potential new criminal charges. As a result, the defense would  
25 like additional time to investigate those charges and to advise Mr. Taylor before the parties may  
26 finalize the government's offer.

1       For this reason, it is respectfully requested that the Court set this matter over until  
2 December 20, 2012, to give Mr. Taylor sufficient time to investigate and to negotiate any  
3 disposition that may be presented to the district court.

4       Because this case involves an allegation that Mr. Taylor violated the terms of his  
5 supervision in a post-conviction proceeding, the parties agree that Speedy Trial Act does not  
6 apply.

## ORDER

2       Based on the reasons provided in the stipulation of the parties above, the Court hereby  
3 FINDS:

4           1.       Given that a Probation Form 12 petition has been filed alleging that Mr. Taylor  
5 violated the terms of his supervised release:

6           2.     Given that Mr. Taylor would like additional time to investigate the charges in the  
7 Form 12 and to negotiate any disposition that may be presented to the district court:

8           3.     Given that this is a post-conviction proceeding and that the Speedy Trial Act does  
9 not apply:

10 Based on these findings, IT IS HEREBY ORDERED that the December 6, 2012  
11 supervised release status hearing date is vacated and reset to December 20, 2012, at 9:30 a.m.
